The theme of World AIDS Day is "End Inequalities, End AIDS". This World AIDS Day, UNAIDS is highlighting the urgent need to end the inequalities that drive AIDS and other pandemics around the world. Without bold action against inequalities, the world risks missing the targets to end AIDS by 2030, as well as a prolonged COVID-19 pandemic and a spiralling social and economic crisis. The staff and the students took a rally from the College to Gandhi Statue and educated the people on AIDS prevention and control.
